(Special to the Sentinel.)
CENTRALIA—A fund has been started here by Grant Hodge Post of the American Legion for the prosecution of the Armistice Day murderers, the spread of the doctrine of Americanism, and for the relief of the dependents of the four dead service men. The fund has passed the four thousand dollar mark. The members of the local post of the American Legion are as one man in their efforts to bring the I. W. W. murderers of their comrades to justice.

(Special to the Sentinel.)
CENTRALIA—"There is absolutely no truth in the report that the secretary of the American Legion at Centralia has signed a statement to the effect that the I. W. W. were not the aggressors in the Armistice Day massacre," said Commander A. S. Krey of Grant Hodge Post American Legion at Centralia today in answer to inquiries received from distant points, stating that such rumors were being circulated. The commander added that the members of the Centralia Legion are united in their efforts to bring the murderers of their comrades to justice.

(Special to the Sentinel.)
CENTRALIA—Under the auspices of the local post of the American Legion, H. W. Thompson and H. E. Vepess, today started on a speaking tour which will take them to practically every large city in the United States. Mr. Thompson was mayor of Centralia at the time of the Armistice Day massacre. He had held this position for several years. He is a forceful speaker.

(Special to the Sentinel.)
CENTRALIA—Following the massacre here last month the Central Trades Council passed resolutions deploring the death of ex-service men on Armistice Day and demanding speedy justice for the murderers. These resolutions have been endorsed by every one of the 20 unions affiliated with the Central Council that has held a meeting since the massacre. The timber workers endorsed them Monday night.

(Special to the Sentinel.)
CENTRALIA—After a most searching investigation a committee composed of Mayor T. C. Rodgers, Commissioners W. W. Dickinson and John Sanders, made public today a statement in which they assert that the marchers in the Armistice Day parade were unarmed; that the attack of the I. W. W. was without provocation or justification; that the plot to kill the veterans was laid two or three weeks before the tragedy; that the I. W. W. headquarters was a veritable arsenal; that previous to the parade revolutionists had deliberately been stationed in the I. W. W. headquarters and at upper story windows across the street therefrom, in hiding along the street and on Seminary hill nearby, all of which places commanded a sweep of the line of march; that the assassins were armed and under agreement to fire on signal and that at least 150 shots were fired into the crowd in reckless disregard of the lives of women and children. "Thus is laid bare," says the official statement, "a treasonable plot, conceived in hatred and vengeance, which for diabolical plan and execution is without parallel in the history of the United States."

ROME—Italian soldiers fired upon crowds here after they had been attacked with knives and daggers. One workman was killed and 12 wounded.

Hon P. C. McCormack left for Juneau on the Evans on a short business trip.

MEXICAN SITUATION "VERY DELICATE"

The relations with the United States were declared during the session as being "very delicate."

HAVANA—The control of all coal supplies in the Republic taken over by the Government.

Ex-Service Men Give First Dance

That the ex-Service men of Wrangell who are about to organize a post of the American Legion, are to play a prominent part in the social life of Wrangell in the future was foreshadowed last Thursday evening when the ex-Service men gave their first dance, which took place in the Redmen's hall. There was a splendid attendance. The music was good and everything seemed just right for a sure enough good time. F. E. Gingrass presided at the punchbowl. Flags and bunting were the only decorations, but a liberal use of these produced a beautiful and appropriate effect.

The dance was given for the benefit of the proposed post of the American Legion which will be organized as soon as the preliminary requirements can be attended to. The treasurer of the tentative organization furnished the Sentinel with the following statement:

Gross receipts	\$117.00
Expenses	52.90
Net	\$ 64.10

Mrs. William Taylor returned Friday from a three weeks' visit to Seattle. She was accompanied home by her son, Laurence Taylor, who has been absent from Wrangell for the past four years. After leaving Wrangell Mr. Taylor spent two years at the Chemawa training school. He enlisted in the navy the week war was declared and spent two years and three months in the navy.

Following is a revised statement of the receipts of Wrangell Chapter Red Cross from the third annual roll call:

Wrangell	\$379.00
Wrangell Juniors	27.00
Wrangell Native Juniors	3.00
Craig	54.00
Tokeen	25.00

St. Philip's Church

Sunday, December 7, at 6:30 p. m.

By common consent, the Christian Church through its different denominations, has chosen the second Sunday in Advent as Bible Sunday. Sir Walter Scott, the author of many books, in his last hour spoke of the Bible as The Book. Are people these days getting afraid of the Bible? What is the result of its neglect? Do we hear people wailing because of the unrighteousness of men? Are there many people like Diogenes who think that it is necessary to take a lantern to find the honest man? Where is the remedy? Is there any outside of the Book which contains the Ten Commandments and inculcates the Law of Love? The theme at St. Philip's Church will be "The Bible, the Text-Book of Righteousness." Come, and help observe the day.

T. W. Ellsmore, cashier of the Bank of Petersburg, was a southbound passenger on the City of Seattle which was in port Monday afternoon.

SEATTLE MAY BECOME FUR TRADE CENTER

Big Fur Buyers of New York
Talk of Moving to Seattle
to Get in Closer Touch With
Alaska and Siberia.

A prominent resident of Alaska who has just returned from a trip to New York city, is authority for the statement that Seattle is destined to become the center of the fur trade in America.

This gentleman deals in furs as a side industry. He was informed by the big fur buyers in the metropolis, or some of them at least, that they proposed to move their headquarters from New York to Seattle, so as to get nearer the point of production. These big eastern fur dealers pointed out that Alaska, with its ever-increasing fur business was becoming an important fur producing country, and that Siberia is perhaps the most important fur-producing region in the world.

By establishing headquarters in Seattle, the big fur buyers would be in close touch with Alaska as well as Siberia. — Dispatch.

Preacher Sees More Caribou Than He Ever Knew Existed

On a recent trip up the Chena river Reverend Maple says he saw sights that he will never forget. Caribou were massed in dense droves and the divine watched them pass for hours. He stated that he saw more caribou than he ever knew existed.

Big Game Hunting Party from Boston Leave for Home

The Mitten Bros., a Boston hunting party left Whitehorse last week for the States having secured the legal number of game heads, including goats, caribou, sheep and the largest number of bears killed this season. Capt. Hubrick of McCarthy was guide for the party.

Allen Transfers Foxes to Entrance Island

R. M. Allen and associates, who recently liberated a number of foxes on Channel island, near Wrangell, have recovered all but three of the animals. They have moved their outfit and stock to Entrance island, Hobart Bay, where they will establish their fox ranch.

It became necessary to move the animals as it was found that the waters around Channel island freeze under certain conditions, and in that case the foxes would be lost. — Report.

A Sagacious Bear

There is one bear up the Salmon who has been having somewhat of a snap so far as beating the high cost of living is concerned. Some time ago a horse of Hugh Creelman's went over the grade and broke his leg. Jack Crawford put the animal out of his misery with his big knife, and now the above mentioned bear is laying in a supply of horse meat to last him through the winter. The gruesome details were brought to town by Mickey Graham, the packer. — Hyder Miner.

OFFICIAL RECORD OF GAME KILLED IN THE CASSIAR. DISTRICT FOR YEAR 1919

[The Sentinel is indebted to J. Frank Callbreath of Telegraph Creek for the following list of the game killed in the Cassiar district the past season. The measurements were copied from the records of the provincial game warden. Wrangell being northern starting point for the greatest big game hunting region on the American continent, our readers will doubtless find the report most interesting]

CRAIG NOTES

[Received too late for last week]

C. A. Fox, U. S. Commissioner of Craig, has been appointed to take the census on the West Coast.

Mr. and Mrs. F. A. Cloudy, accompanied by their daughter, Charlotte, departed for Hyaburg where Mr. Cloudy will superintend the construction of the new mill.

The ex-chef of the Ketchikan Poodle Dog restaurant is here on a pleasure trip. At present he is engaged in handling lumber for the Prince Rupert lumber company. He sure is a good lumberjack.

Charles Matson has completed a fine residence in East Craig. It is modern in every respect.

Captain T. Butler has just sawed a rick of wood. He says that from all indications we are going to have a bad winter, and "Preparedness" is his motto.

The local dairy which consists of one nanny goat at present and is operated by "Roy," will increase its herd next spring, owing to the increased demand for dairy products.

Ed Wright, the proprietor of the Wright's Cafe, intends to enlarge his place of business in order to accommodate the many travelers who venture to the West Coast.

Dr. Griffin, who has been in Craig for the past two weeks left for Hyaburg Tuesday on the gasboat Salome under Captain Vaninolo.

A. L. Brown, the prominent and successful merchant of Craig, is putting electric lights in the Moose hall and is also installing several street lights en route to the hall.

J. K. Smith, the U. S. Deputy Marshal, received a consignment of coal Saturday which was delivered by the Royalty Brothers' Rapid Transfer company of Craig.

Miss Grube of Bayview spent the week-end with Mrs. C. E. Hibbs.

Charles W. Hawkesworth, Superintendent of Native schools, was a Craig visitor last week.

Charles Hancock, who is superintending loading of the scows with lumber purchased from the Craig Lumber company reports that the remainder of the lumber will be removed by the last of November.

Thanksgiving Day was well observed by the people of Craig. The local Moose gave a banquet which was a thrilling success. The evening was spent in dancing and the affair was attended by one of the largest crowds ever assembled here.

The popular mayor of Craig, Peter Hom, left for Klawock to lift the gear of two fish traps. A crew of Filipinos assisted him.

Mrs. J. P. Smith departed for the south last Tuesday morning via Wrangell. She intends to return next spring.

A few days ago two boat loads of king salmon averaging 50 pounds apiece were caught by Craig trollers beside Clarence Clayton's stove in the pool hall. The trolling sea-

son is now in full blast around the stoves of local merchants.

Charles Cloudy, who encountered a severe injury to the knee while playing basket ball with Bayview some weeks ago, is now able to get around without the use of an arm chair.

The news agent reports that the Sentinel sells 10 to 1, owing to its concise and authentic cable news.

TOKEEN TIDINGS

(Received too late for last issue)

The steam tug Daniel Kern arrived from Seattle Saturday with a scow and took on a cargo of 750 tons of marble.

The Vermont of Token arrived here Saturday night after having had a very narrow escape from being wrecked. A crew left here on the Vermont early Monday morning for Wrangell. When the boat was off Leval Island her crosshead broke. The broken parts were taken out. An effort was then made to make her go on two cylinders, but she would not lift the distillate; so they drifted for 18 hours. When close to a reef off Summer Island they dropped both anchors and left the boat. They expected her to go on the beach any minute. The crew remained on an island till Friday morning on short rations. Tommy Ferguson, a Wrangell sourdough, was aboard the Vermont during her unsuccessful voyage. He had started for Wrangell to visit friends. Now he has given up the trip. At least he says he will not leave here again until there is a bridge built between Token and Wrangell, as he never wants to go aboard a gasboat again.

FOR SALE—One four-cycle Racine 24 h. p. gas engine, four cylinder, 6x7 bore, 400 to 500 revolutions. Also one globe 18x24 h. p. three cylinder gas engine. A. J. Kalkins.

GRIP, INFLUENZA

Hamlin's Wizard Oil a Reliable, Antiseptic Preventive

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza. Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

NOTICE

The Town of Wrangell is now prepared to furnish free vaccination against smallpox. The importance of vaccination is urged.

Those who have not been vaccinated within the past two years are requested to call at the office of Dr. S. C. Shurick, Health officer, and be vaccinated free of charge.

Kearsley-Brown

Edward Kearsley and Dr. Anna Brown were quietly married on the evening of Thanksgiving Day by U. S. Commissioner Wm. G. Thomas.

Mr. Kearsley, the groom, came North recently to enter the employ of John T. Towers on Kupreanof Island. He is a veteran of the European war, having served three years and 11 months with the Strathconas from Canada. He was wounded four times, gassed, and also suffered shell shock. He received his discharge May 19, 1919. Soon after his arrival at the Towers camp Mr. Kearsley became ill. He was brought to Wrangell and placed under the care of the woman who is now his wife.

The bride has been a resident of Southeastern Alaska for several years, and, having resided in Wrangell for the past year, needs no introduction to the people of this community.

Mrs. Arthur Leonard Married

Friends of John Hill Wall and Mrs. Leona Leonard were given a genuine surprise on Saturday evening when at a dinner to which they had been invited the fact was announced that their hostess had ceased to be Mrs. Leonard and had become Mrs. Hill.

The happy couple were quietly married at the Methodist parsonage by Rev. Van Marter on Friday evening. The only witnesses were Mrs. R. Knuckles a sister of Mr. Wall; Mrs. C. M. Van Marter and her sister Mrs. Walkers. The wedding was kept a secret until the following evening. Chronicle.

The school honor roll for November was unavoidably crowded out this week. It will appear in our next issue.
